Subject: Cadet Protection Policy for Florida Wing
Directed To: All FLWG Members

Date: 16 Sep 04
Policy Letter No.: 04-03

The Florida Wing Cadet Protection Policy will be as follows:

1. In accordance with the provisions in CAPR 52-10 [22 DEC 03], two "approved" senior members are required to be in attendance for all cadet programs or activities that involve cadets and that include overnight periods. Regardless of gender, it is highly desired that one of the "approved" senior members in attendance at the event be of the same gender as each cadet at the activity.
2. For all activities, cadets and seniors should be "buddied" with another member to help provide protection, guidance and caring. This action should occur at the earliest stages of the activity.
3. If an activity begins without the intent of being an overnight activity (i.e.: missions) then the policy stated in paragraph one (1) should be adhered to as closely as possible. Any and all activities need to have two "approved" senior members involved.
4. Parental involvement as outlined in CAPR 52-10 [22 DEC 03] is to be accomplished on a regular basis.
5. When it is believed that a violation of the Cadet Protection Policy has occurred, contact directly with the Wing Commander needs to be immediate and in accordance with CAPR 52-10 [22 DEC 03].
6. Contact points for the Wing Commander are: 786.255.0496 <= Primary, or 954.432.2310 at home.
7. This letter is to be posted on all Unit Bulletin Boards and briefed to all unit members every 90 days. Documentation of this event is to be made on the unit sign-in sheets.

This policy supercedes Policy Letter: 03-01.
